

RISC Glasgow Caledonian Group Report (24/2/16)

By Robert Liddell

CONSTRUCTION PROJECT

The £30 Million Pound Construction project work is well under way with the new refectory now open but seems to require a lot of snagging and the entrance to the George Moore Building is part open, the temporary staircase to the 2nd floor has been removed yet the entrance to the George Moore Building is not fully open. The ramp to the saltire centre has been removed and entrance to the ground floor of the saltire centre is now in operation. The west block will be the last to open with all work due to be completed by the spring/summer 2016.

STAFF PULSE SURVEY

The Staff Pulse survey is underway and once again emails are sent if you do not fill in this so called anonymous survey, the staff also feel many of the questions asked could identify you anyway!

TRADE UNIONS IN IRAN

Helen Martin STUC Assistant Secretary has been in touch via the Union after being approached by the TUC International Department about the persecution of trade unionists in Iran. Since the President of Iran is a graduate of Glasgow Caledonian University. The Joint Unions are going to sign a letter to the President of Iran the draft letter is enclosed.
